SHSelection Services:

Retail Expansion & Real Estate Development

With gained knowledge and connections SHSelection is able to provide clients with creative solutions on a local, national or international basis for their Retail Business. SHSelection is working with high experienced professionals to provide Architectural and Technical work, Brokerage, Project Leasing, Legal, Staff Recruitment, Owner and Tenant Representation, Redevelopment and Strategic Consulting.

SHSelection provides professional exclusive Agency Leasing activities for it's clients. SHSelection works to build a long term business relationship with its clients, earning loyalty through results.

SHSelection always working with max 3 not conflicting projects at once to achieve best results for his customers.

International Retail Expansion

As tenant representatives SHSelection provides clients the following A-Z Services: Company Foundation, Management, Logistics, Legal Service, Staff Recruitment, Turn Key Services, Lease and Purchase Acquisition, Market Analysis and Feasibility Studies, Renegotiation of existing Lease Obligations, Strategic Site Selection, Demographic and Mapping Services, Build Out and Occupancy Services.

Creation and Realisation of Utilisation Concepts for Owner/Developer of Retail Real Estate

As owner representatives SHSelection is offering a wide range of services including: Strategic Planning, Development Consulting, Redevelopment Strategies, Rent Valuation, Leasing and Property Sales.

Brand- and Business Development

SHSelection has more than 40 years experience in Brand Development, specialising in Fashion, Shoe, Sport, Cosmetics, Furniture and Lifestyle brands. Further 15 years Brand Development strategies have become a key business for SHSelection, especially within the Retail Real Estate Property Market for Shopping Center and City Developments. SHSelection provides A to Z services to establish product brands or retail brands in international markets. SHSelection also concentrates on the Redevelopment and Revitalising of Retail Operations, Real Estate Opportunities and City Development. SHSelection understands and develops intensively cooperation and innovative models combining click & brick activities.

Merger & Acquisitions- Franchise and Licences - Partnerships

SHSelection provides services for companies looking for national or international Partners.

Marketing

SHSelection has been specialising in various marketing fields for more than 40 years. SHSelection cooperates with selected partners to assist Product and Service Development, Distribution and Sales Activities, optimise sales conditions and organise Promotion and Communication. In assisting companies to achieve the projected goals SHSelection provides strategic marketing research, and uses all possible tools in the implementation and supervising of all related steps to achieve the best results. E-commerce in combination with High Street Retail and Shopping Centre Development is part of Retail and Brand activities SHSelection is providing.

Promotions

SHSelection is specialised in communicating and projecting the "Heart and Soul" into a product, consumer or Real Estate site by using high professional partners in Promotions and Communication. SHSelection has an extensive knowledge of, and connections within, the international sports, music, TV celebrities and entertainment fields and is very experienced in mounting exhibitions and events to promote brands and show products.
